- All items must be sold at retail value.
- All craft items are regularly juried; you will be promptly notified of any concerns.
- Vendor set-up starts at 7:00 AM, not before, and all vendors must stay until the end of the Market, usually 2:00 . Talk to the Market Manager for emergencies or special cases.
- Vendors are not allowed to have alcohol, drugs, or pets at the Market.
- Smoking by vendors is not allowed on the Market property.
- All vendors who wish to erect canopies on the farmers market site during a normal period of market operations, including the set up and break down period, are required to have their canopies sufficiently and safely anchored to the ground from the time their canopy is put up to the time it is taken down. **Any vendor who fails to properly anchor his or her canopy will not be allowed to sell at the farmers market on that market day, unless that vendor chooses to take down and stow their canopy and sell without it.**
